In this respect, if shareholders holding more than 15% of the Company's shares express their intention to accept the Offer and/or the price per share exceeds the acceptable range, then the Company shall seek to invite shareholders at the EGM to take appropriate action to ensure the continuity of the Company and protect the interests of all stakeholders, which may result in a shareholder vote against the proposed conversion and delisting; and
- Settlement: the Offer shall become binding upon the shareholders' approval of the conversion at the EGM, and the Company will complete the redemption of the shares and pay the shareholders who elected to accept the Offer following the expiry of the objection period that shall last for fifteen (15) working days beginning on the date of publication of the conversion notice (the "Objection Period") concurrently with the settlement to the shareholders who are entitled, and elect, to object to the conversion.
